

WE DON'T LIKE TO SPLIT CHECKS!

NO WE DON'T HAVE FREE WI-FI, TALK TO EACH OTHER!

*W*elcome to The Flatbread Pizza Co.!

First, a few notes from the owner - our appetizers can be shared between two, maybe pushing four people. Our salads are personal size, but some like to split a salad. Our pizzas are roughly **12 inches** and usually shared between two but a pizza for one is not unusual or frowned upon. Do it family style and share so everyone gets to try a little bit of it all. Cheers!
